The Regenerator is put up in two sizes, and retails for 50 cents for pint bottles, and \$1 for quart bottles. The quart bottles are much the cheapest.

Who wants a Good Head of Hair? Use Mrs. Wilson's Hair Regenerator and Hair Dressing.

"I like the Hair Regenerator and Dressing very such." Rev Geo. W. Wosbing, Hartford, Ct. "I unhesitatingly pronounce it an invaluable arti-cle from the effect on my own head." S. A. Hill, wife of Rev. Henry Hill, Manchester, N. II.

"It rendered my hair soft and glossy."
Minor Fannan, Saratoga Springs, N. Y. "I feel confident that it operates not as a dye, but to restore the roots to their natural healthy state."

Massas. Henry P. Wilson & Co.: I have no hesitancy in saying, in my opinion, Mrs. Wilson's Hair Regenerator and Hair Dressing are the best hair preparations now in use. I shall continue to use them with pleasure.

REV. H. H. HARTWELL, Lawrence, Mass.

Massas. Hanny P. Wilson & Co.: I have used your Bair Regenerator and Hair Dressing, and have received great benefit from them. I deem the articles worthy of high commendation, and cheerfully recommend them to all who want to restore the commendation. all who want to restore gray hair to its original color, or to any who are troubled with dandruff, or a disagreeable itching of the head, or hamors, or to those whose hair is falling from the head. Rsv. G. W. H. CLARK, Great Falls, N. H.

Massas, Henny P. Wilson & Co.: I deem Mrs. Wilson's Hair Regenerator and Hair Dressing the standard articles of all hair preparations. I have, in many instances, known them to restore the hair where it had fallen off, remove dandruff, restore the last to its original color, care entirely the most painful headaches—and in some instances most serious humors. Personally, I have been a sharer in several of these benefits.

HAIR REGENERATOR.

Please read a few certificates from the following relia-

ble and well known people.

MESSIS, HESBY P. Wilson & Co.—My wife is now using your Regenerator for the hair, and pronounces it far superior to anything she ever used for the hair. It is easily applied, does not soil in the least—has no disagreeable odor, increases the growth of hair, prevents it falling off, and often cures the headache. I forward you this certificate unsolicited, because I think an article that will do what your Hair Regenerator will, should be widely known. I think it is the best article for the hair now in use.
